

Countertop Convection Oven

C.A.C. Countertop Convection Oven Series is designed with heavy-duty stainless steel construction and fully-insulated double-wall body for long lasting performance and excellent heat retention. Equipped with a powerful fan and exhaust system that circulate hot air evenly and quickly, C.A.C. Countertop Convection Oven Series provides fast and even results and is ideal for cooking, warming, baking, and browning with optimal versatility and improved efficiency.

- Heavy-duty, stain- and corrosion-resistant stainless steel body
- Dual-pane glass door for enhanced heat-retention and clear visibility
- Wide temperature range of 150-500°F with a timer control for up to 120 minutes
- Fits standard sheet pans
- One-year limited warranty
- ETL listed; meets and complies with electrical safety standards in the U.S.A. (UL-197) and Canada (CAN/CSA-C22.2)
- ETL sanitation listed; complies with NSF 4
