

ELECTRIC MODULAR SKILLET

EMTS-60

OPERATION SHALL BE BY:

- 208 VAC, 3 Phase, 60 Hz
- 220 VAC, 3 Phase, 50 Hz
- 240 VAC, 3 Phase, 60 Hz
- 380/220 VAC, 3 Phase, 50 Hz. 4-wire
- 415/240 VAC, 3 Phase, 50 Hz. 4-wire

STANDARD FEATURES:

- 1/2 HP hydraulic tilt mechanism
- Stainless steel cover with spring assist hinges, full width handle, no-drip condensate guide and vent port with swing cover
- One piece 10 gauge T-304 stainless steel pan
- All stainless steel exterior
- Pour lip strainer

STANDARD CONSTRUCTION SPECIFICATIONS

CROWN model EMTS-60, electrically heated skillet with hydraulic tilt, c-CSA-us and NSF Certified.

The unit shall have a stainless steel cover with spring assist hinges, full width handle, no-drip condensate guide and vent port with swing cover.

The pan shall have a sloped front and front hinged for easy tilting pour control and comes complete with a removable pour strainer.

Pan is formed from 10 gauge 304 stainless steel with a #4 finish exterior and polished interior with coved corners for ease of cleaning and etched gallon markings.

Heating shall be accomplished by electric elements cast embedded in a full 1-3/8" (35 mm) thick aluminum casting bolted to the underside of the pan for even heat distribution across the entire surface.

The pan shall be mounted on a heavy duty welded angle constructed frame fitted with 6" (152 mm) stainless steel legs with 4 adjustable flanged feet for securing to the floor.

Enclosed with #4 finished type 304 stainless steel with removable side panel and two stainless steel front cabinet doors.

All controls are mounted in the cabinet base which include temperature thermostat, temperature light, tilt switch, high limit thermostat and hydraulic lift system powered by a 1/2 HP electrical motor for smooth and precise tilting action.

Cooking temperatures are between 160F and 445F (70C and 230C).

Approval Notes: _____

SERVICE CONNECTIONS

- Electrical connection to be as specified on data plate
- Cold Water: 3/8" O.D. tubing to optional faucet
- Hot Water: 3/8" O.D. tubing to optional faucet
