PROCEDURE

- Dial toll free (877) 266-6836 and select option "5".
- Provide contact information, mailing address, as well as any other additional information relating to the malfunction, including cycle count if applicable.
- A specially designed shipping container will be sent to the customer, on the day of the request which contains packing, packing instructions and a return tag.
- The Panasonic Repair Depot will request a credit card number to guarantee the return of the shipping container. The credit card will NOT BE CHARGED long as the shipping container is returned within 30 days. The charges for unreturned shipping containers are: (Commercial Microwave: \$60.00; Pro 1 Microwave: \$80.00; Induction Cooktop: \$30.00)
- Pack unit as outlined in the instructions, attach FEDEX tag and return to the Depot Repair Center.
- **Make sure to include a proof of purchase with your unit to validate warranty.**
- Unit will be repaired under warranty** at the Depot Repair Center and shipped back to the end user the same day it is received.
- Rice cookers will be replaced under warranty rather than repaired.

*Please refer to the owner's manual on how to use the cycle count feature.

**Units that are returned to the Depot Repair Center and have failed due to customer abuse / misuse, poor maintenance or cycle count which is in excess 18,000 of cycles will not be covered under warranty. At that time the customer will be provided the option of paying for the repair or having the unit returned to them unrepaired at the customers expense.
