

Foldable Utility Cart

- Heavy-duty 18/8 stainless steel construction holds up to 350 lbs for enhanced durability and long lasting performance.
- Quick and simple fold and unfold for ultimate convenience
- Saves 50% of the space when folded down for effortless transporting and storage; built-on locking buckle keeps the cart folded tightly for added safety.
- Ergonomic handles on both ends allow for full control when maneuvering.
- Skid-resistant shelf surface with 4 non-marking swivel casters, 2 with brake, for safe and easy transporting
- Packing great features in compact size, C.A.C. foldable cart works perfectly from indoor to outdoor, and from front-of-the-house to back-of-the-house with excellent versatility.
- Ships fully assembled
