

High capacity,  
small  
footprint

MCC Hot full serve  
humidified  
3 levels

## The Modular Convenience Counters offer you the best, in every aspect

High Capacity

Highest capacity on a small footprint: Up to 30%\* more display surface

Up to 75%\* more product visibility due to transparent sides and top

Best Performance

Maximum food safety, extended shelf life and less waste

Mix & Match

Unlimited possibilities and combinations with other MCC models

Green Efficiency

Low total cost of ownership & environmental friendly green technologies

\*Compared to competition according to global ISO standards - TDA ISO 23953
