

YOU CAN TRUST

PLANETARY MIXERS

SMM10

STANDARD FEATURES

The SKYFOOD Planetary Mixer SMM10 is a great addition to any commercial kitchen looking for versatility with a minimal footprint. Designed for light to medium duty applications. Its 100% gear-driven transmission and overrated 3-speed 3/4 HP motor allow you to mix anything from whipped cream to cookie dough with confidence.

Includes stainless steel wire whip, cast aluminum dough beater and dough hook which can be selected to mix various kinds of foods.

For safety, this mixer is equipped with a bowl guard which stops the motor when opened or when the bowl is lowered.

The bowl and its removable safety guard are made of stainless steel.

Large start and stop push buttons are quickly accessible and make it easy to operate the mixer. This is a perfect compact countertop unit to complement your essential kitchen tools.

Conforms to the following Standards:
ETL electrical and sanitation (under UL, CSA and NSF Standards).
