

13-FOOT EXPANDABLE MOBILE SAFETY BARRICADE FENCE SYSTEM

With Alpine Industries 13-Foot Expandable Mobile Safety Barricade System, you're sure to send out a crystal clear message about areas within or outside your facility that are off limits. The standard bright yellow color of the unit and the bi-lingual safety message printed on the unit will easily be noticeable, even from a distance, in order to promote safety for staff and helping others to keep at a careful distance. The unit is quick to set up, offering maintenance workers, repairmen and other professionals, on-the-job convenience and security.

EASY MOBILITY

Smooth-Rolling wheels for easy mobility

COMPACT STORAGE

Dual Bungee Straps to keep barricade contained while being transported and stored

GREAT COVERAGE

13-Feet wide when fully extended, easily adjust to desired amount as needed

CLEAR MESSAGE

Eye-catching yellow color for instant visibility and bi-lingual safety message
