ICCD-126

### Mobile Insulated Ice Caddy

- Heavy-duty construction with thick polyurethane foam insulation offers enhanced durability and excellent cold retention for 4-6 hours.
- Large capacity transports and stores up to 126 lbs.
- Sliding lid offers open access for quick and easy operation; slide to close when not in use to help avoid cross-contamination.
- Built-on faucet and water tank quickly separate water from ice and drain away excess water for an extended storage time.
- 4 non-marking casters, 2 with brake, together with sturdy handles enhance mobility and portability and allow for full control when operating.
- Ideal for use in various conditions including indoor, outdoor, hot, humid and more
- No assembly required
- NSF listed
- ICCD-126: ship by freight only; UPS small package not available
