

4 Magic Pro 100

This compact storage & display case for gelato, ice cream and sorbet was designed to expand an establishment's dessert offering on a limited investment and footprint. Without compromising on quality or design, restaurants, hotels, catering services, coffee/pastry shops, etc. can now display and serve 4-6 different flavours at perfect temperature for consumption.

Features

- Digital thermostat with display
- Stainless steel body
- Insulated double-wall refrigeration cell
- Double-wall lid: polymer + tempered glass = air-insulated gap
- Fan interruption when lid is open
- Removable power cord

Includes:

- (1) Transparent lid
- (4) GN 1/4 stainless steel pans
- (4) Serving spatulas
