

APW Wyott heavy-duty, top-mount, drop-in, round food warmers are designed to hold heated foods at safe and fresh serving temperatures. APW Wyott SM-50-4s Series accommodates standard 4-quart round inset pans, and are designed for wet or dry operation.

One-piece stainless steel top flange and heavy-gauge, deep-drawn stainless steel warming pans are standard features on all models. E-Z Locks are standard for quick and easy installation.

Models with thermostatic controls are available. High-limits prevent overheating. Temperature-ready indicator lights are standard on all control types. Powerful tubular heating elements are located under the warming pans for quick and efficient heating and for even heat distribution.

OPTIONS

- Drain Valve extension kit
- Non-metal counter adapter kit with EZ lock kit

WARRANTY

- 1-Year Limited Parts & 1-Year Limited Labor Warranty

CERTIFICATIONS

Certified by the following agencies:
