OptiServe

TOUCHLESS ICE & WATER

Hygienic Hydration

When sanitation and cleanliness are key, look to Hoshizaki OptiServe series of ice and water dispensers. Infrared sensors automatically sense your container and dispense cubelet ice and/or water. Easy to fill without ever touching the machine. For use in breakroom areas, lobbies, nursing stations, cafeterias and more - Hoshizaki's DCM dispensers can sit on top of a counter or a stand for additional storage. Hydration made easy!
