

**ELECTRIC GRIDDLES**

Spectrum griddles have a wide heating range, from frying eggs on low to cooking burgers with high heat, all on the half-inch thick polished steel grill surface. Independent controls further regulate the heating zones. The extra-tall steel wall backsplash enclosure helps to minimize grease splatters.

- ◆ Solid 1/2" thick polished steel plate for fast heat up and high heat retention
- ◆ Heavy gauge stainless steel body with 3" high backsplash; sides taper back to front
- ◆ Large-volume removable grease drawer with weep hole and baffle
- ◆ Heavy duty, stainless steel adjustable legs for stability
- ◆ Compatible for 1-phase or 3-phase operation (field convertible EGD-24M & EGD-36M)
- ◆ 3-1/4" full width grease trough
