Notes & Details

6 Burner Countertop Range.

Introducing our 6 Burner Countertop Range, featuring high-performance round cast iron burners, each boasting an impressive 30,000 BTU/hr output for optimal cooking power.

The durable 12" x 12" (30 x 30cm) cast iron grates ensure convenient removal for effortless cleaning and maintenance. Equipped with a standby anti-clogging pilot, ignition is effortless, while the lift-off burner structure facilitates easy cleaning.

Stainless steel adjustable heavy-duty legs provide stability, ensuring reliable performance on any countertop. Complemented by zinc alloy knobs with chrome coating for enhanced durability, precise control over your cooking experience is guaranteed.

A convenient crumb tray at the bottom ensures cleanliness, further streamlining maintenance tasks. With its easy conversion capability from natural gas to propane and vice versa, versatility is unmatched, catering to diverse cooking preferences and kitchen setups.

Constructed with stainless steel on the front and sides, this countertop range combines durability with sleek aesthetics, embodying professional-grade performance for discerning chefs and culinary enthusiasts alike. Elevate your cooking endeavors with our 6 Burner Countertop Range.
