DISPOSABLE FULL-FACE SHIELD

Item: 46665

Face shields are essential personal protective equipment for your business to protect your employees' facial area and associated mucous membranes against splashes, sprays, and body fluids by providing a protective barrier. This unit is designed for comfortable use making it suitable for extended use. It also protects a larger portion of the face while making it less claustrophobic for the user.

Another great advantage of the face shield is the easiness of donning and can be easily disinfected after doffing. This product works best in conjunction with other personal protective equipment.

FEATURE:

- Anti-fog and anti-static treatment
- Latex free, fiberglass free and distortion free
- Foam headband relieves pressure
- Light weight, clear visibility
