The Smallest Juicer

Perfect for those businesses that have a small space but want to offer a high quality freshly squeezed juice. The upper basket can be easily removed to make the juicer even more compact. Capable of squeezing up to 15 fruits of oranges or lemons per minute, in just a few seconds you will have the best quality citrus juice ready.

FEATURES:

- Compact model with automatic feeder
- Equipped with a user friendly digital screen 3.0
- Screen includes options for:
 - Fruit counter
 - Operating mode
 - Fruit selector
 - Protection
 - Energy saving
 - Easy dismantling mode
 - Automatic cleaning
 - Peel bucket indicator

European Style Juicers

Proven in the market for over 20 years, Zumoval juicers are the strongest on the market with heavy-duty motors and gears manufactured from stainless steel. It is also the fastest juicer on the market with speeds up to 200 liters per hour.

OPTIONS

Self Tap

The easy-to-use automatic tap is connected directly to the motor of the machine. Open the tap and the machine starts running. Close the tap and the machine stops.

Automatic Shower

More hygienic juicers with our unique self-cleaning automatic shower system and fully isolated juicing area avoiding any ingress of exterior elements.

Orange Counter

Counts the amount of oranges that have been juiced by the machine, allowing the customer to monitor consumption.
