LQPR Series

Pour Bottle

- Translucent bottle made of durable BPA-free polyethylene or polypropylene provides a lasting solution for pouring and storing.
- Textured neck and snap-on pour spout for secure grip and controlled pouring
- Colored spout and lid help with quick identification of liquids or ingredients; 6 colors available.
- Temperature range: 32°F/0°C to 230°F/110°C for 1QT pour bottle; 14°F/-10°C to 204°F/96°C for 2QT pour bottle
- Seal a container with a screw-on lid to store leftover products or prevent spills; stackable lidded containers for space efficiency.
- One complete product consists of spout, neck, container, and lid; all parts can be broken down for thorough cleaning.
