

# SWING LID TRASH CAN

STAINLESS STEEL. 17 GALLON CAPACITY.

You've got waste issues? Well, we've got the solution. The Alpine Industries Stainless Steel Trashcan with Swing Lid has a 17-Gallon capacity, making it a desirable waste management choice. It can conveniently hold more for less, making for less frequent bag changes. This is an ideal choice for coffee shops, hotel lobbies, and restaurants.

## Transport Anywhere 1

The can's plastic handles and light weight makes it easy transport

## SWING IT 2

Swing lid that keeps trash bags hidden, but still easily accessible

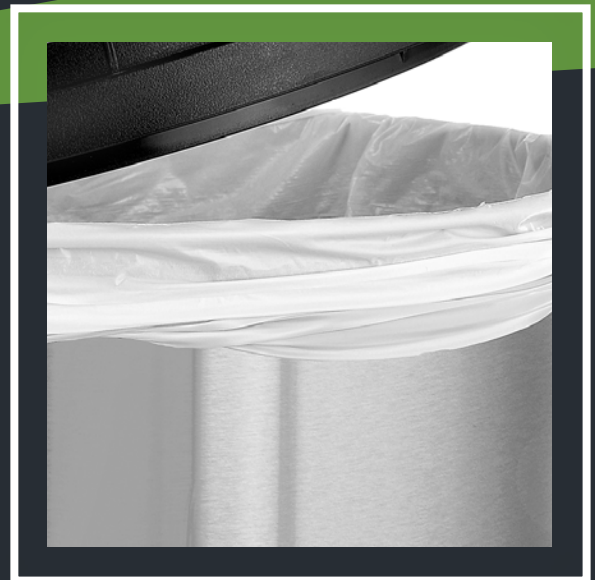

### 3 TUCK IN

Extra wide opening with a tuck-in rim for conveniently keeping trash bags clipped and hidden away

### WE HAVE LIFT OFF 4

Easy lift off lid makes changing trashbags a walk in the park
