Notes & Details

This refrigerator unit combines functionality with elegance, making it an ideal choice for commercial beverage storage. With a packaging depth of 27 3/5 inches and a shelf depth of 18 inches, it offers ample space for beverages and products. The interior height is 30 1/2 inches, while the packaging height is 41 3/4 inches, providing generous storage capacity.

Operating at 115 volts and 60 Hertz with a current draw of 2.88 amps, this refrigerator features doors for convenient access, a cooling capacity of 974 BTUs (Low Back Pressure), and a capacity suitable for two half kegs, totaling 14.8 cubic feet.

Its stainless steel countertop, swing-style solid doors, and side-mounted compressor ensure durability, efficient cooling, and ease of use. The NEMA 5-15P plug type ensures reliable power connection.

Notes:

- Stylish and durable stainless steel construction.
- Efficient cooling system with auto-defrost function.
- Convenient access with swing-style solid doors.
- Generous storage capacity suitable for commercial use.
- Reliable power connection with NEMA 5-15P plug type.
- Ideal for bars, restaurants, and hospitality businesses.
