

STANDARD FEATURES

- Designed for mixing meats and seasonings to enhance flavour, our SKYFOOD Meat Mixer meets the needs of small to medium sized meat processing applications.

Ideal for butcher shops and meat processing operations for the preparation of the meat for sausages, patties and seasoned minced meat.

- Stainless steel construction, tilting bowl, shafts and blades meet sanitation standards.

- Safety bowl cover cuts power when raised or tilted. Pulse switch activates mixer when tilted for ease of unloading.

- Tilting system with sliding ramp for easy discharging of product.

Three rotating paddles guarantee homogeneous mixtures
