

Floor Model Display Warmer, Open Front Square Glass with Curtain

ITEM: 48386
MODEL: RE-CN-1200

Attractive and Convenient Display

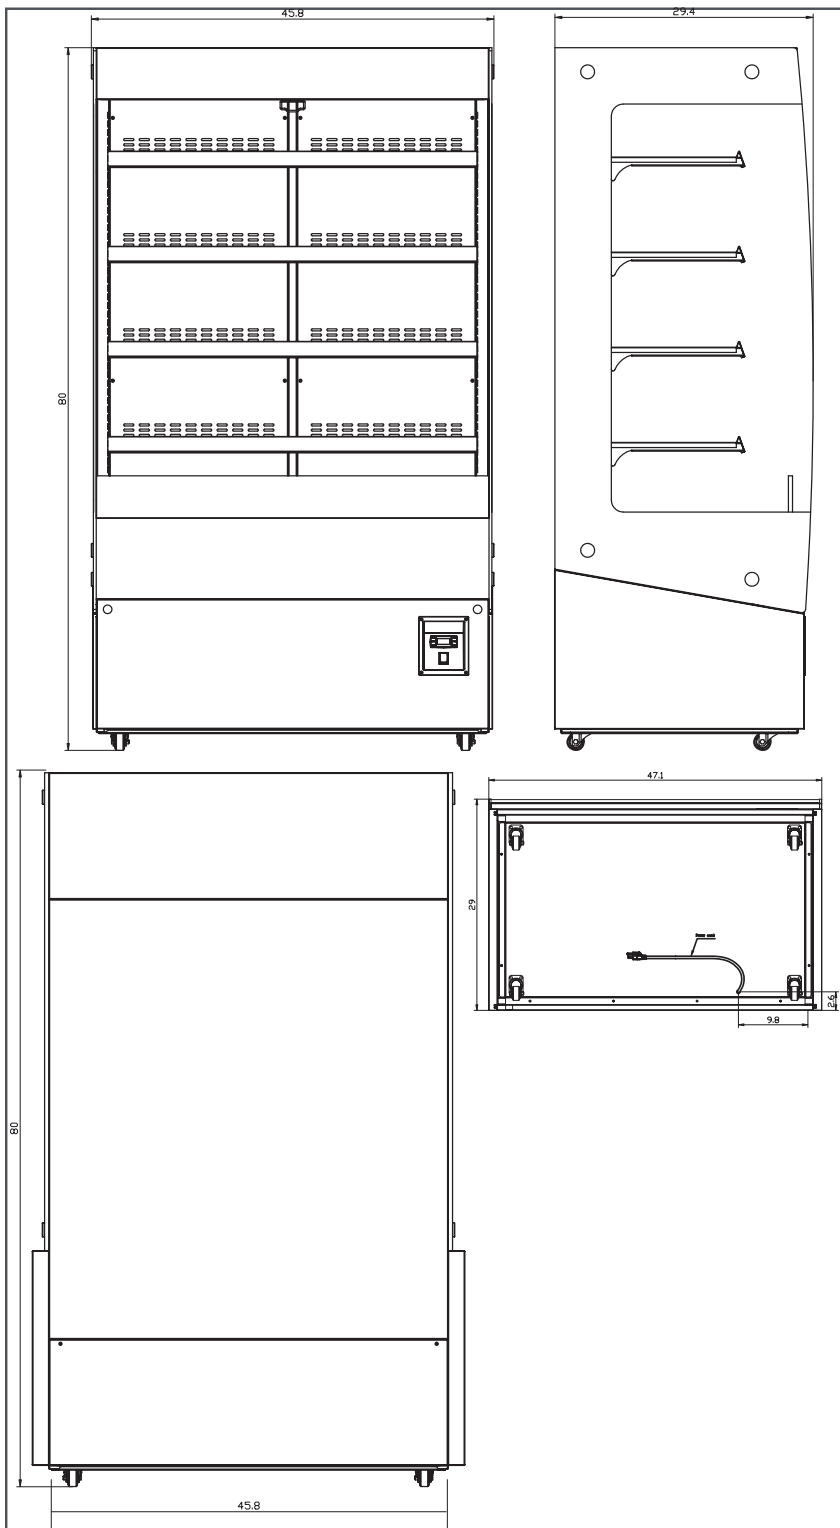

Spacious glass display cases with a full metal construction keep your items attractively warm and ready for serving. Warm lighting adds to the attractiveness of your products and is guaranteed to captivate the attention of your customers. The open-front design allows customer self-serving, making it perfect for bakeries and space-constrained areas such as airport stalls.

Features:

- Keeps food at the perfect serving temperature while enhancing visibility
- Sleek, open design for easy access and display of your food items
- Energy-efficient heating system for consistent warmth throughout the display
- Adjustable temperature controls to suit a variety of foods
- Compact, space-saving design ideal for high-traffic environments
- Even heat distribution to maintain food quality and texture
- Easy-to-clean surfaces for low maintenance and hygiene.
- Built-in lighting for vibrant, appetizing food display
