## CHROME STOCK SHELVES & ACCESSORIES

The perfect choice for keeping stock within reach. Turn unused space into a neatly organized storage center adaptable to your specific needs. The open wire construction maximizes light and circulation of air to keep stored items dry and ventilated. Our shelves are constructed sturdily and welded to endure tough everyday handling. Capacity: under 48" in length, up to 850 lbs. per shelf; over 48" in length, up to 600 lbs. per shelf.

## WARRANTY

Omcan Manufacturing & Distributing Company Inc. and Omcan Inc. provides warranty against all defects of material and manufacturing, as well as for defective assembling, for its wire shelving (Chrome and Green Epoxy). Omcan will replace any defective unit for a period of up to 6 months from original date of installation, provided they have been properly installed and maintained. Omcan is liable to replace said defective piece, but under no circumstance will we pay any labour claims or subsequent damage.

Chrome finish shelves are further warranted against rust formation over more than 5 percent of the shelving surface area for one year from the original date installation in a dry application. Chrome is not warranted in any wet application including cooler or freezer installations.
