PA-11S

STANDARD FEATURES

- This robust continuous feed Food Processor shortens prep time and increases productivity in your kitchen. Its large 3" x 4" vertical feeding chute is perfect for processing half blocks of different types of cheese, both soft and hard, as well as a variety of vegetables, in a few seconds.
- Several discs for shredding, slicing and grating are available to make this unit as multi-functional as possible (discs sold separately).
- Large stainless steel pusher helps pushing through bulky items like cabbage and potatoes.
- Powerful 1 HP belt driven motor drives cutting disc at 500 rpm, holding up the demands of any commercial operations.
- Motor housing and feed chute made of stainless steel and top housing made of anodized cast aluminum.
