

Hot Dog Roller Grill

Constructed with heavy-duty stainless steel base and rollers, C.A.C. Hot Dog Roller Grill Series offers a safe, reliable, and convenient solution to roll and grill hot dogs, sausages, taquitos, egg rolls and more with high efficiency. Simple and professional appearance goes well with any commercial settings such as convenient stores, food trucks, meetings, parties, and sport events.

Hot Dog Roller Grill

- Fresh and juicy hot dog grab-and-go
- Dual-heating thermostats control the front and rear rollers independently, allowing for cooking on one side and keeping warm on the other.
- Quality motor continuously rotates the rollers for even heat distribution.
- Sealed roller ends protect motor and other internal parts from grease for increased safety and easy maintenance.
- Removable drip tray catches grease and crumbs during use for easy cleaning.
- Sneeze guard included in the set for protection against splashes
- Non-skid rubber feet for stable countertop operation
- ETL listed; meets and complies with electrical safety standards in the U.S.A. (UL-197) and Canada (CAN/CSA-C22.2)
- ETL sanitation listed; complies with NSF/ANSI-4
- One-year warranty
