

The image shows two hands holding up two identical metal mounting brackets side-by-side. The brackets are made of a light-colored metal, possibly aluminum, and have a rectangular shape with rounded corners. Each bracket has a mounting pattern consisting of two circular holes near the top, two circular holes near the bottom, and three small rectangular slots along the top edge. The text "Same mounting pattern as the leading competition for easy installation" is overlaid on the image in white font on a dark grey background.

Same mounting pattern as the leading competition for easy installation
