Fryer Oil Disposal Shuttle

ODS 450

The unappealing job of draining, transporting and disposing of spent frying oil becomes much easier with the Henny Penny ODS 450 oil disposal shuttle.

Simply roll out the fryer filter pan, roll the ODS 450 in place. Electric pump quickly drains vat. No tilting, stooping or lifting involved. A hinged lid latches shut to form a tight seal around the drain pan, preventing spills during transport. The load is easily transported on two large 7 in (178 mm) rear wheels.

Discharge into appropriate container through flexible drain hose.

Standard Features

- Powerful electric pump empties 50 lb (23 kg) of oil in less than a minute
- Low profile, 8 in (203 mm) pan height allows unit to roll under nearly any fryer for direct draining
- Flexible discharge hose with quick-connect attachment to bulk disposal line
- Hinged drain pan lid latches closed over perimeter seal to prevent spills
- Swivel casters in front, large 7 in (178 mm) rear wheels for smooth, stable transport
- Unit comes with power cord and adapter
- 2-year parts/1-year labor warranty

Dimensions

Width	15.88 in (403 mm)
Width drain pan	12.13 in (327 mm)
Depth	37.00 in (940 mm)
Height	37.25 in (946 mm)
Height to drain pan	8.00 in (203 mm)
